Počet strán: 102

Kód publikácie: 8070322

Comprehensive overview of statistical information characterising the status of women and men in contemporary society. It provides data divided by gender in the fields of demography, labour market, social statistics and health, education, research and development, criminality, violence and judicature, public life and decision-making. The content is supplemented by international comparisons and development charts. Methodological notes are included.
