

Information and Consulting Services

Last update: 31.12.2025

Information and Consulting Services of the Statistical Office provides information and information services in accordance with the Act of NC SR No. 540/2001 Coll. on State Statistics (pdf - 157 kB), as amended.

Information service of the SO SR and departments of information service of regional offices provide the following information services:

Responds to telephone, e-mail and written requirements as for different data, released information, methodical data surveys and the like.

Consulting and advisory work - provision of information on available data and services, on possibilities and conditions of requirements and order ensuring, on methodology used, on the content of individual indicators and the like

Navigation of visitors of the Internet page to a required information

Ensuring of information processing "tailored to needs" according to users requirements. It is provided on the base of a written order ([list of non-standard requirements](#)) (pdf - 1,47 MB)

Official extracts e.g. on inflation rate, average monthly wage of employee in the economy of the SR, average wages by individual regions, indices of construction works

Ensuring of data retrievals from databases of the SO SR - e.g. manufacturing, demography, foreign trade, from databases of households surveys (Labour Force Sample Survey, Census of Population and Housing)

Data retrievals from the Register of Economic Subjects - regional retrievals are ensured by the workplaces providing information services at regional offices, for the SR, the retrievals are carried out by [Infostat](#)

Ensuring of retrievals from particular elections and referendums

Part of the Information service of the SO SR is the national centre of European statistical data support in the Slovak Republic, which provide users with support in searching data and information on the Eurostat's website (more on [European statistics - ESDS](#)).

All data released at the Internet portal including the databases DATAcube. and STATdat. are **free of charge**. Data processed by individual requirements of customers (tailored to needs) and retrievals from the Office's non-public databases are available for payment according to the [Price list of Services of the SO SR](#).

Please, send your requests for the statistical information to info@statistics.sk
