
Demo tours for work with the Eurostat website

Posledná aktualizácia: 22.09.2021

Eurostat disseminates **demo tours** for work with the new Eurostat website. These videos have been created with aim to help users work with Eurostat web pages, by way of navigation in demo tours to learn how to search data and to make own extraction. The demo tours are available on the Eurostat website in **Help - First visit**.

We welcome your comments and experiences you have with using the tours. Your opinions can be sent by email to this address esds@statistics.sk.
